As the year comes to a close, I am proud to reflect on all of the accomplishments and new program initiatives the Gardena Police Department has successfully implemented this year. 2016 was a busy year for law enforcement, but with our community’s support Gardena continues to flourish.

Among our many accomplishments this year, the Department successfully outfitted our entire police force with Body Worn Cameras. Now with the help of body cameras police are able to increase transparency with the community, reduce the number of complaints, and improve criminal prosecutions. This year alone the Department has already seen a reduction in sustained complaints and resolution of community questions through reviewing camera footage.

In addition, we are extremely proud of our growing Juvenile Justice and Intervention Center (GJJIP). Over the last year and a half the Program has skyrocketed and become a staple in the Gardena community. As the Program continues to grow, case workers have now quadrupled their caseloads working with Gardena’s youth. GJJIP has also partnered with Gardena High School teaching Life Skills classes designed to empower students to make better decisions and plan for a productive future. Gardena High School has recognized the benefits provided by GJJIP, and looks forward to new life classes in the future including an after school life fitness class that would provide another outlet for youth to develop positive life skills. We are excited to see the continued success of this program and growing partnerships with the Gardena community.

As the holiday season fast approaches, the Gardena Police Department would like to wish you and your family a safe and pleasant holiday season. If you have any questions or would like to share your comments, please feel free to email me at: chief@gardenapd.org, or by calling (310) 217-9601. We look forward to continuing to serve our community in the 2017 New Year!
Winter holidays are a time for families and friends to get together. But that also means a greater risk for fire. Following a few simple tips will ensure a happy and fire-safe holiday season.

HOLIDAY DECORATING

- Be careful with holiday decorations. Choose decorations that are flame resistant or flame retardant.
- Keep lit candles away from decorations and other things that can burn.
- Some lights are only for indoor or outdoor use, but not both.
- Replace any string of lights with worn or broken cords or loose bulb connections. Read manufacturer’s instructions for number of light strands to connect.
- Use clips, not nails, to hang lights so the cords do not get damaged.
- Keep decorations away from windows and doors.

HOLIDAY ENTERTAINING

- Test your smoke alarms and tell guests about your home fire escape plan.
- Keep children and pets away from lit candles.
- Keep matches and lighters up high in a locked cabinet.
- Stay in the kitchen when cooking on the stovetop.
- Ask smokers to smoke outside. Remind smokers to keep their smoking materials with them so young children do not touch them.
- Provide large, deep ashtrays for smokers. Wet cigarette butts with water before discarding.

Before Heading Out or to Bed

Blow out lit candles when you leave the room or go to bed. **Turn off** all light strings and decorations before leaving home or going to bed.

Facts

Two of every five home decoration fires are started by candles. Nearly half of decoration fires happen because decorations are placed too close to a heat source.

As you deck the halls this holiday season, be fire smart. A small fire that spreads to a Christmas tree can grow large very quickly.

PICKING THE TREE

- Choose a tree with fresh, green needles that do not fall off when touched.

PLACING THE TREE

- Before placing the tree in the stand, cut 2” from the base of the trunk.
- Make sure the tree is at least three feet away from any heat source, like fireplaces, radiators, candles, heat vents or lights.
- Make sure the tree is not blocking an exit.
- Add water to the tree stand. Be sure to add water daily.

LIGHTING THE TREE

- Use lights that are listed by a qualified testing laboratory.
- Never use lit candles to decorate the tree.
- Always turn off Christmas tree lights before leaving home or going to bed.

After Christmas

- Get rid of the tree after Christmas or when it is dry. Dried-out trees are a fire danger and should not be left in the home or garage, or placed outside against the home.
- Check with your local community to find a recycling program.
- Bring outdoor electrical lights inside after the holidays to prevent hazards and make them last longer.

Facts

One quarter of home Christmas tree fires are caused by electrical problems. Although Christmas tree fires are not common, when they do occur, they are more likely to be serious. A heat source too close to the tree causes roughly one in every four of the fires.

Char Lynch
Neighborhood Watch Coordinator, Chief of Police Citizen Advisory Panel (COPCAP)

Information gathered from:
NFPA Public Education Division
Detective Sean Dixon has dedicated himself to the Gardena Police Department for the past 5 ½ years. Growing up with a family who always instilled civil service, he knew that if he had the ability to obtain a career in civil service, he would pursue it. After graduating from High School, he became an Officer for Monterey Park PD and following 7 ½ years, he transferred to Gardena PD, where he has worked a range of assignments including: patrol, district officer (D2), Crime Scene Investigation, and Honor Guard. During the past 1 ½ years, he has been a part of the Special Enforcement Unit, as the Detective for the Gardena Hawthorne Mental Evaluation Team. Detective Dixon enjoys working for the Gardena Police Department because of the way it is managed and its great leadership. He also enjoys serving the community of Gardena because of its cultural diversity.

Mary Koch

District 2 Serra HS Neighborhood Watch Coordinator

WHAT CAUSED YOU TO BECOME INVOLVED IN NEIGHBORHOOD WATCH?

A friend of mine had been to several NM meetings and she convinced me that we should start our own. So with the help of Lt. Rickerl and mentoring by Char Lynch, NW coordinator at the time, we started our own NW meetings in 2013. I was able to get Chapman Elementary School to commit their auditorium for our meetings. We wanted a small area of our local neighborhood to get involved. Our NW group has expanded over the years and our meetings are now held at Serra HS to accommodate a larger area of District 2. NW has enabled me to get more involved with the community, has helped me gain knowledge of the city and how it is run. We try to get our NW members interested in all the activities and events that are available to them that they may not be aware of. I encourage everyone in all districts to get to know their city by coming to, or starting their own NW meetings. Help our awesome police force in making Gardena a safer place to live and work. You are all welcome to visit my NW meetings on the 2nd Thursday of each month at Serra HS 7:00 pm.

WHAT DO YOU LIKE MOST ABOUT OUR NEIGHBORHOOD WATCH PROGRAM?

One of the things I enjoy most about the NW program is the participation in events throughout Gardena. Most of these events are annual. It is a great way to meet new people. We are able to give out information about the city and it is a way for us to get more attendance at our meetings. Another reason I am part of this organization is that at meetings, neighbors of all ages can come and ask Lieutenants questions and voice their concerns. It is also a way to meet the officers who are out everyday protecting our wonderful city. Crime affects all of us and I for one like to know the who, what, and where these things are going on. This is addressed at the meetings each month. Lastly, each month I am able to get speakers to come. These range from City of Gardena employees, to emergency preparedness, to Zikka outbreaks! There is so much to learn, in and about Gardena!
## MEET OUR NEIGHBORHOOD WATCH COORDINATORS!

**Left to Right:** Captain Kang, Lt. Fox (D2), Lt. Prendergast (D1), Mark Clayson (D1), Virginia Burgos (D3), Renee Anderson (D1), Jessie Carrara (D3), Annie Roddy (D3), Mary Koch (D2), Char Lynch (D2), Brenda Jackson (D1), Abigail Quiroz (Comm. Affairs), Lt. Lee (D3)

**Not Pictured:** Wilhelmina Bradley (D1), Shiela Doerschel (D2), Shawn Groveunder (D2), Kathy Haynes (D1), Jules Kanhan (D1), Beverly Melville (D2), Diane Morita (D2), Mina Semenza (D3), Chris Vlahos (D3)

## Neighborhood Watch Meetings

#### Area Four
- **Garden West Mobile Estates**
  - 17700 S. Western Ave
  - **2nd Wednesday of every even month @ 7:00 PM**
Porch Pirating Prevention Tips

As many of us took advantage of Black Friday and Cyber Monday to shop for our family and friends for the holiday season, we are expecting lots of package deliveries.

Sadly, we experience a rise in “porch pirating” during the holiday season. Thieves tend to follow delivery trucks, watching for prime targets. Thieves can take your packages as soon as they have been delivered.

To help minimize the chances of becoming a victim of porch pirating, follow these simple tips:
1. If you will not be home during delivery time, have them delivered to a trusted person, such as a family member or neighbor.
2. Ask neighbors who are home during the day to watch for deliveries and pick up the package from your porch or doorstep and keep it until you get home.
3. At checkout, if provided with an option to choose delivery time, schedule a delivery time in which someone will be home to accept the package.
4. When ordering from a large retailer that is close to home, pick store pick-up, rather than delivery.
5. Sign up for delivery alerts so that you can be notified as soon as the package has been delivered.
6. Request for the delivery company to hold your package at their closest pick-up facility until you’re able to pick it up.
7. Ask the shipper to require a signature confirmation upon delivery. If you are not home upon delivery, a note will be placed on your door with the next delivery date or pick-up location.
8. Provide delivery instructions so packages are left out of sight from the street.
9. Show off your home security system; make sure you have a sign in the front yard. If you have security cameras, make sure potential thieves know they’re there.

Happy Holidays!
CRIME UPDATE

The following map represents the crime that we had in Gardena for the month of November. The tables list the amount of crimes we have had in the past two months. To find more up-to-date crime stats, please go to www.gardenapd.org.

Oct. '16
- Robbery: 8
- Res. Burglary: 18
- Comm. Burglary: 31
- Vehicle Crimes: 59
- Assaults: 18

Nov. '16
- Robbery: 14
- Res. Burglary: 10
- Comm. Burglary: 11
- Vehicle Crimes: 51
- Assaults: 16
The SHOP WITH A COP Program matches local Police Officers with underprivileged children to shop for Christmas gifts. Not only does it build a positive relationship between the child and the officer, it shows a true giving spirit to those who are in need.
