Part-1 Crimes and Maps - 30 Day Period

Gardena Crime Accountability and Reduction Strategy

Sat March 23, 2019 through Mon April 22, 2019

Crime locations are listed as street block addresses or intersections. The crime data displayed may not be accurate or completely up to date, but efforts are made to keep the information accurate. Crime data is dynamic and not always accurate because not all crimes are reported and crime classification relies on the information provided by involved parties. The major Part-1 crime categories are listed and displayed on accompanying maps. These include robbery, burglary, auto theft, theft and various felony assaults. The Gardena Police Department has no responsibility for the accuracy of this data and accompanying map.
